Here, here, Everything is by design, Everything is by design.

Here, here, Everything is kept inside. So take a chance and step outside, Your hopes, your dreams, your paradise. Heroes, idols, cracked like ice.

Here, here,
Everything is kept inside.
So take a chance and step outside.
Pure frustration face to face.
A point of view creates more waves,
So take a chance and step outside.

Take a chance and step outside.

Lose some sleep and say you tried.

Meet frustration face to face.

A point of view creates more waves.

So lose some sleep and say you tried. So lose some sleep and say you tried...
