Hearts fail, young hearts fail Anytime, pressurized Overheat, overtired

Take it quick, take it neat Clasp your hands, touch your feet Take it quick, take it neat Take it quick, take it neat

Hearts fail, young hearts fail Anytime, wearing down On the run, underground

Put your hand where it's safe Leave your hand where it's safe Do it again, do it again and again and again

Do it again and again and again Do it again and again and again Do it again and again and again

Anytime, that's your right Don't you wish to do it again Overheat, overtired Don't you wish to do it again

Don't you wish to do it again Don't you wish to do it again

Anytime, that's your right Don't you wish to do it again Anytime, that's your right Don't you wish to do it again

Don't you wish to do it again Don't you wish to do it again Do it again, do it again Do it again, do it again
