New Dawn Fades

Joy Division

A change of speed, a change of style A change of scene, with no regrets A chance to watch, admire the distance Still occupied, though you forget

Different colours, different shades Over each mistakes were made I took the blame Directionless so plain to see A loaded gun won't set you free So you say

We'll share a drink and step outside
An angry voice and one who cried
"We'll give you everything and more
The strain's too much, can't take much more"
Oh, I've walked on water, run through fire
Can't seem to feel it anymore

It was me, waiting for me Hoping for something more Me, seeing me this time Hoping for something else
