

Sunny Day

Joy Williams

I open my eyes
I look to the sky
It's a sunny day

The world is looking so bright
What a surprise
It's a sunny day

Oh oh oh oh oh ohooo...

Gimme Gimme Gimme Gimme what I want
I want sunshine, sunshine
Gimme Gimme Gimme cuz it's been so long
I want sunshine, sunshine

I'm feeling so free
Like a summer breeze
It must be magic

I forget all my plans

Put my toes in the sand
I just can't help it

Oh oh ooh oh ohhh

Gimme Gimme Gimme Gimme what I want
I want sunshine, sunshine
Gimme Gimme Gimme cuz it's been so long
I want sunshine, sunshine

We're two of a kind
Like blue birds singing out a simple tune
If you don't mind
It's the perfect kind of day to fall in love
With you

Gimme Gimme Gimme Gimme what I want
I want sunshine, sunshine
Gimme Gimme Gimme cuz it's been so long
I want sunshine, sunshine
