

# Surrender

Joy Williams

There are places in my heart and corners of my mind  
That I've hidden from Your light  
Like buried treasure deep inside of me  
I don't want You to see, I keep it to myself

But You give Your love to me  
You open up Your heart unselfishly  
Lord, in Your embrace now I can say, I surrender

Everything I held so precious  
Everything I kept away  
I give it up, give it up  
All for You, I give it all for You  
Everything I held as treasure  
I give it all for You, I give it all for You

In Your light, I feel a new power coming over me  
Calling me to Your surrender; I gotta find the answer  
What is this Your love has opened up inside?  
Suddenly I cannot hide

You give Your love to me  
You open up Your heart unselfishly  
Lord, in Your embrace now I can say, I surrender

Everything I held so precious  
Everything I kept away  
I give it up, give it up  
All for You, I give it all for You  
Everything I held as treasure  
I give it all for You, I give it all for You

'Cause Your love is everything to me  
And in Your light I finally see  
Oh, I can't hold it back  
Everything I've hidden deep inside  
Now I surrender

Surrender, Lord, I surrender  
I give it all to You

You give Your love to me  
You open up Your heart unselfishly  
How can I not do the same for You?  
I surrender

Everything I held so precious  
Everything I kept away  
I give it up, give it up  
All for You, I give it all for You  
Everything I held as treasure  
I give it all for You, I give it all for You
