There are places in my heart and corners of my mind That I've hidden from Your light Like buried treasure deep inside of me I don't want You to see, I keep it to myself

But You give Your love to me You open up Your heart unselfishly Lord, in Your embrace now I can say, I surrender

Everything I held so precious

Everything I kept away
I give it up, give it up

All for You, I give it all for You

Everything I held as treasure
I give it all for You, I give it all for You

In Your light, I feel a new power coming over me Calling me to Your surrender; I gotta find the answer What is this Your love has opened up inside? Suddenly I cannot hide

You give Your love to me You open up Your heart unselfishly Lord, in Your embrace now I can say, I surrender

Everything I held so precious
Everything I kept away
I give it up, give it up
All for You, I give it all for You
Everything I held as treasure
I give it all for You, I give it all for You

'Cause Your love is everything to me And in Your light I finally see Oh, I can't hold it back Everything I've hidden deep inside Now I surrender

Surrender, Lord, I surrender I give it all to You

You give Your love to me You open up Your heart unselfishly How can I not do the same for You? I surrender

Everything I held so precious
Everything I kept away
I give it up, give it up
All for You, I give it all for You
Everything I held as treasure
I give it all for You, I give it all for You
