Joy Williams

We

She's independent and beautiful Wish I could be like her She's got the girls and the boys So wrapped around her finger Rumor is she's some kind of dream Nobody knows she cries herself to sleep

We are not that different from each other We just want somebody to discover Who we really are when we drop our guard That love has gotta start with you and me We

He's on the top of the social scene He's stylish cool and clever He's got a cool attitude that screams He's got it all together

You'd think he's addicted to himself But he wishes he could be someone else

We are not that different from each other We just want somebody to discover Who we really are when we drop our guard That love has gotta start with you and me

We've gotta come together Oh You know you don't ever have to be alone You've got a hand to hold

Yeah Lalala Oh Oh Oh

We are not that different from each other We just want somebody to discover Who we really are when we drop our guard That love has gotta start with you and me We Oh Oh And We And We You and me We We've gotta come together
