

# You're My Favorite

Joy Williams

I got 88 ways I could say this  
To trace a beautiful line from your heart to mine  
I tried rhyme after rhyme but it sounds so cliché  
So if I trip and make no sense well I can't help myself

Who-oo-ooo Don't make me say it  
You-oo-ooo You're my favorite

My heart feels like a Saturday morning  
Daydreams flutter around and fill up my head  
I'm busy spinnin' around and around on a carousel  
So if I trip and make no sense well I can't help myself

Who-oo-ooo Don't make me say it  
You-oo-ooo You're my favorite  
Who-oo-ooo Don't make me say it  
You-oo-ooo You're my favorite

Who-oo-ooo Don't make me say it  
Who-oo-ooo You're my favorite

Who-oo-ooo Don't make me say it  
You-oo-ooo You're my favorite  
Who-oo-ooo Don't make me say it  
You-oo-ooo You're my favorite

I got 88 ways I could say this  
To trace a beautiful line from your heart to mine
