

Chinese Girls

Joy

Sweet Chinese girls living in a land so far and lovely
Sweet Chinese girls they have set my soul on fire
Sweet Chinese girls they're always in my mind
And carry on, carry on, carry on

Sweet Chinese girls make me wonder
You are my Chinese girl and I need you so
Sweet Chinese girls make me feel good
You are my Chinese girl and I love you so

Sweet Chinese girls lovely as a dream, it's like a vision
Sweet Chinese girls make me feel so good, just like in heaven
Sweet Chinese girls they're always in my heart
And carry on, carry on, carry on

Sweet Chinese girls they're always in my heart
And carry on, carry on, carry on
