

Gimme Gimme All Of You

Joy

Gimme gimme all of you (8x)
Darling, I've never been in love so much
And I feel like never before
Baby, it was the magic of your touch
Is it real, not a dream? Your kiss maybe long for more

Give me all your love
Give me all your heart
Gimme gimme all of you
Give me all your love
Give me all your heart
Gimme gimme all of you
Gimme gimme all of you (8x)
