

# American Dreamgirl

Joydrop

Hey Mr. Music  
With all your illusions  
Your for gone conclusions  
Your grand delusions

Hey Mr. Music  
My name's not honey  
And don't call me dear  
My eyes are up here

I am not your American Dream, Your American Dream  
I am not your American Dream, Your American Dream

Hey Mr. Music  
The life of the party  
Where everyone's pretty  
And everyone's easy

I am not your American Dream, Your American Dream  
I am not your American Dream, Your American Dreamgirl

Beautiful, Wasted  
Surrounded by the world that made us  
Plastic and wanted  
Subscribing to your airbrushed magazines  
Filled with America Dreamgirls

I won't be silenced by your  
small-minded validation  
Your silicone creation  
Rock 'n' Roll masturbation
