

I'm searching for the difference between
What content and content can bring
Maybe they're no different 'cause they look the same
Maybe I'm just an algorithm with a given name
But... trying to find the difference

I'm searching for the difference between

They look the same
Maybe I'm just an algorithm with a given name
A given name
But... trying to find the difference
The difference, the difference, the difference

The difference, the difference, the difference, the difference
The difference, the difference, the difference, the difference
The difference, the difference, the difference, the difference
The difference, the difference, the difference, the difference

The difference, the difference, the difference, the difference

The difference, the difference, the difference, the difference
The difference, the difference, the difference, the difference
I'm searching for the difference between
The difference, the difference, the difference, the difference

I'm trying
I'm trying
I'm trying
I'm trying to find the difference
