

## In Clover

Joywave

They'll never walk away  
They'll never walk away from you  
They'll never run astray  
They'll never run astray from you

This could be fantasy  
Now that I'm everything that I'm supposed to be

Clover  
I'll be in clover soon  
I'll be in clover  
I'll be in clover with you

They'll never walk away  
They'll never run astray from you

This could be ecstasy  
Now that I'm everything that I'm supposed to be

Clover  
I'll be in clover soon  
I'll be in clover  
I'll be in clover with you

I'll be in clover  
I'll be in clover soon  
I'll be in clover  
I'll be in clover with you

I'll be in clover  
I'll be in clover with you  
I'll be in clover  
I'll be in clover with you  
I'll be in clover  
I'll be in clover with you  
I'll be in clover  
I'll be in clover with you
