

Life In a Bubble I Blew

Joywave

When I lay my head
I find I can't unwind
I come alive
All these things are overdue
But there's nothing I'd rather do
Swinging between hell and you
Trying not to confuse the two
It's life in a bubble I blew
It's life in a bubble I blew

When I kill the lights
I can't control my mind
Free-floating shapes racing
All these things are overdue
But there's nothing I'd rather do
Swinging between hell and you
Trying not to confuse the two
It's life in a bubble I blew

On the ground
You keep my heart palpitating
Or in the clouds
It's life in a bubble I blew
You keep my head from levitating
Underground
Keep me lit and salivating
Be the crown
It's life in a bubble I blew
Jewel to me that I'm awaiting
On the ground
You keep my heart palpitating
Or in the clouds
It's life in a bubble I blew
You keep my head from levitating
Underground
Keep me lit and salivating
Be the crown
Jewel to me that I'm awaiting

That's all I want
That's all I want
That's all I want
That's all I want
That's all that I want

On the ground
You keep my heart palpitating
Or in the clouds
You keep my head from levitating
Underground
Keep me lit and salivating
Be the crown
Jewel to me that I'm awaiting
On the ground
You keep my heart palpitating
Or in the clouds
You keep my head from levitating

Underground
Keep me lit and salivating
Be the crown
Jewel to me that I'm awaiting
On the ground
You keep my heart palpitating
Or in the clouds
You keep my head from levitating
Underground
Keep me lit and salivating
Be the crown
Jewel to me that I'm awaiting
On the ground
You keep my heart palpitating
Or in the clouds
You keep my head from levitating
Underground
Keep me lit and salivating
Be the crown
Jewel to me that I'm awaiting
