

There's a lion in your room  
There's a lion in your room  
There's a lion in the room  
Tonight

There's a stain upon your bed  
There is blood on your forehead  
Was such a cadet and well read  
Yeah sometimes  
Take it at your role  
As you dance across the room  
A sift flows as you move  
Down the light

A lie, a li-i-ie

A lie, a lie, a li-i-ie, a lie, a li-i-ie, a lie, a li-i-  
ie, a lie, a li-i-ie
