

# Guavaberry

Juan Luis Guerra

¡Oh!, San Pedro de Macorís, ey

I'd like to live in the streets  
Of San Pedro de Macorís  
I'd like to live in the streets  
Of San Pedro de Macorís

I'd like to sing my song  
In the middle of malecón  
I'd like to sing my song  
In the middle of malecón

Drinking my guavaberry  
Watching the sun go down, oh  
Woman that's all I need  
In San Pedro de Macorís, oh!

Quiero vivir junto a ti  
En San Pedro de Macorís  
Quiero vivir junto a ti  
En San Pedro de Macorís

Quiero bailar mi canción  
En el medio del malecón  
Quiero bailar mi canción  
En el medio del malecón

Bebiendo guavaberry  
Al ritmo de un tambor, oh  
O bailando feliz  
En San Pedro de Macorís, ¡oh!

I wanna dance in the streets  
Of San Pedro de Macorís  
I wanna dance in the streets  
Of San Pedro de Macorís

I wanna hear the sound  
Of cocolos beating their drums  
I wanna hear the sound  
Of cocolos beating their drums

Drinking my guavaberry  
Watching the sun go down, oh  
Woman that's all I need  
In San Pedro de Macorís, oh!

Woman that's all I need  
Watching the sun dance in the streets  
Woman that's all I need  
Singing my song from Macorís

Woman that's all I need  
Bailando me siento feliz  
Woman that's all I need  
En San Pedro de Macorís

Woman that's all I need  
In the middle of the lonely street  
Woman that's all I need  
I wanna dance it in the heat

Woman that's all I need  
Eh!, yeah, yeah, yeah  
Woman that's all I need  
Of San Pedro de Macorís

Watch out!...

Good morning, good morning  
Good morning my guavaberry  
Good morning, good morning  
I wanna dance in the streets

Good morning, good morning  
Good morning guavaberry  
Good morning, good morning  
Of San Pedro de Macorís

Watch out!...

Good morning, good morning  
Good morning guavaberry  
Good morning, good morning  
I could hear from the streets

Good morning, good morning  
Good morning guavaberry  
Good morning, good morning  
From San Pedro de Macorís

Woman that's all I need  
Watching the sun dance in the streets  
Woman that's all I need  
Singing my song from Macorís

Woman that's all I need  
Bailando me siento feliz  
Woman that's all I need  
En San Pedro de Macorís, ¡oh!

Cocolo from San Pedro!
