

Any Crown

Juanita Bynum

Any crown I've ever won
I lay id down
Any praise I've ever gained
I give it all to you
There is nothing in the world
That can compare
You alone are worthy

You are near to those who call upon your name
You're ever giving, ever loving
You remain the same
For you open up your hands and satisfy
Give you all the glory
Give you all the glory

You are worthy oh Lord of all honor
You are worthy to receive our praise
In your presence I live
And with all I have to give
I will worship you

You are near to those
Who call upon your name
You're ever giving, ever loving
You reamin the same
For you open up your hands and satisfy
Give you all the glory
Give you all the glory

You are worthy oh Lord of all honor
You are worthy to receive our praise
In your pressence I live
And with all I have to give
I will worship you [repeat]

All my years
Glorify your holy name
Glorify your holy nam
