

# My Life

Juanita Bynum

[Verse:]

Where do we go from here in Your presence?  
How do we continue to live our lives the same?  
How do we try to explain this experience  
that we had right here,  
right here in Your presence?

All I can say is my life will never be the same.  
My life will never be the same.  
My life, it'll never be the same.

[Chorus:]

My life will never be the same.  
My life will never be the same.  
My life will never be the same  
in Your presence.

My life will never be the same.  
My life will never be the same.  
My life will never be the same,  
never be the same,  
never be the same,  
never be the same.

My life will never be the same.  
My life will never be the same.  
My life will never be the same,  
never be the same,  
never be the same,  
never be the same.

Never be the same.  
never be the same.  
never be the same.

My life will never be the same.  
My life will never be the same.  
My life will never be the same.

[Ending:]

The same.

[repeat as desired]
