

Overflow

Juanita Bynum

Rest in the presence of the almighty God
Hide in the shadow of His wings
Move in the freshness of His anointing power
And thirst for Him, you will be filled
In His presence there is fullness of joy
And at his right hand there are pleasures forevermore
Yield to His word, You will obey
There's a place of rest you will obtain

In the overflow
Move in the overflow
For in the overflow
Is where God pours His oil
In the overflow
Rest in the overflow
For in the overflow
Is where God shows His all

Oh, overflow
Overflow, shows His all
Flow in the overflow
There is healing
Flow in the overflow
Fresh anointing
Flow in the overflow
Oh overflow
Overflow
