

Peace (You Have Delivered My Soul)

Juanita Bynum

Cause you have delivered my soul,
From the snare of the enemy,
In the midst of my storm,
You have and protected me,
If I just keep my mind on thee,
You'll keep me in perfect peace,
Cause in Christ alone.

I place my trust,
And I find a glory in the power of the cross,
And in every victory let it be said of me,
That my source of strength and my source of hope,
Is Christ alone.

[Chorus:]
That my source of strength,
And my source of hope,
Is Christ alone,
Christ alone.

That my source of strength,
And my source of hope,
Is Christ alone.

So I will be still,
I will be still (2x)
I'm gonna stay right here.
I will be still (3x)
Stay right here.
I will be still,
I'm gonna stay right here.
Be still.
