

# Bloodstone

Judas Priest

I've been trying  
There's no denying  
It's sending me  
Out of my mind

I've seen reason  
Change to treason  
It's losing it's sense  
Of all kind

How much longer will it take  
For the world to see  
We should learn to live  
And simply let it be  
Bloodstone, bloodstone

In the night time  
Wake in fright  
I'm so scared of the game  
That's being played

Start to wonder  
What's going under  
And how many deals  
Have been made

How much longer will it take  
For the world to see  
We should learn to live  
And simply let it be  
Bloodstone, bloodstone

Bloodstone  
I can't take it  
You got me living  
On a bloodstone  
I don't want that that bloodstone
