## **Breaking The Law**

## Judas Priest

There I was completely wasting, out of work and down all inside it's so frustrating as I drift from town to town feel as though nobody cares if I live or die so I might as well begin to put some action in my life

Breaking the law...

So much for the golden future, I can't even start I've had every promise broken, there's anger in my heart you don't know what it's like, you don't have a clue if you did you'd find yourselves doing the same thing too

Breaking the law..

You don't know what it's like...
