

# Devil's Child

Judas Priest

Hypnotize me, mesmerize me  
Feel my will-power slip  
Light my fire with cold desire  
Losing all my grip

Eat my diamonds (eat my diamonds)  
Drinking all my gin  
Feast your eyes on (feast your eyes on)  
A whole lotta sin

Oh no you're so damn wicked!  
You got me by the throat.  
Oh no gotcha claws stuck in me  
You never let me go  
I believe you're the devil  
I believe you're the devil's child

Took my dreams and now it's seems you're  
Nothing but a liar  
Smash and grab at all I had  
Build my funeral pyre  
Stop pretending (stop pretending)  
Got me growin' old.  
Your tormenting (your tormenting)  
Fit to snap my soul

Oh no you're so damn wicked!  
You got me by the throat  
Oh no gotcha claws stuck in me  
You never let me go  
I believe you're the devil  
I believe you're the devil's child

You took my heart  
And left it blown to smithereens  
I gave my body as a slave  
You cut my flesh  
And drank my blood that poured in streams  
I'm left here broken and ashamed

Goin' under, hear the thunder  
Death defying grace  
Your condition breeds ammunition  
Shoots me in the face  
Vicious talkin' (vicious talkin')  
Stabs me like a knife  
Scratched and bruised (so abused)  
I'm a human sacrifice

Oh no you're so damn wicked!  
You got me by the throat  
Oh no gotcha claws stuck in me  
You never let me go  
I believe you're the devil  
I believe you're the devil's child
