

# Heading Out to the Highway

Judas Priest

Hit'em boys  
Well I've said it before, and I'll say it again  
You get nothin' for nothin', expect it when  
You're back seat drivin' and your hands ain't on the wheel  
It's easy to go along with the crowd  
And find later on that your say ain't allowed  
Oh that's the way to find what you've been missin'

So I'm heading out to the highway  
I got nothin' to lose at all  
I'm goin' to do it my way  
Take a chance before I fall  
A chance before I fall

You can hang in a left or hang in a right  
The choice it is yours to do as you might  
The road is open wide to place your biddin'  
Now, wherever you turn, wherever you go  
If you get it wrong, at least you can know  
There's miles and miles to put it back together

And I'm heading out to the highway  
I got nothin' to lose at all  
I'm goin' to do it my way  
Take a chance before I fall  
A chance before I fall

Makin' a curve or takin' the strain  
On the decline, or out on the wain  
Oh everybody breaks down sooner or later  
We'll put it to rights, we'll square up and mend  
Back on your feet to take the next bend  
You weather every storm that's comin' at cha

And I'm heading out to the highway  
I got nothin' to lose at all  
I'm goin' to do it my way  
Take a chance before I fall  
A chance before I fall
