

# Invader

Judas Priest

I came across a smoking field  
Pulsating afterglow  
I saw a searing flash of light  
Erupt and skyward go  
I staggered back in dazed surprise  
What was it I had seen?  
And as I stood there mesmerized  
I heard my spirit scream

Invader, invader nearby  
Invader, invader is nigh

This is the first of more to come  
In carefully planned attacks  
If it is so we must prepare  
Defenses to fight back  
The call is out throughout the world  
United we must stand  
To build a line, strategic force  
They will not take a man

Invader, invader nearby  
Invader, invader is nigh

When they come to take control  
Every man must play his role  
They won't take our world away  
When the children we leave  
Will have to believe in today

We warn you now you things out there  
Whatever you may send  
Won't give in without a fight  
A fight until the end  
With vigilance by day and night  
Our scanners trace the sky  
A shield is sealed upon this earth  
A shield you won't get by

Invader, invader nearby  
Invader, invader is nigh
