

## Lochness

Judas Priest

Grey mist drifts upon the water  
The mirrored surface moves  
Awakened of this presence  
Dispelling legends proof

A beastly head of Onyx  
With eyes set coals of fire  
It's leathery hide  
Glides glistening  
Ascends the heathered briar

This legend lives  
Through centuries  
Evoking history's memories  
Prevailing in eternities, on and on and on

Lochness, confess your terror of the deep  
Lochness, distress  
Malingers what you keep  
Lochness, protects monstrosity  
Lochness, confess to me

Somehow it heeds the piper  
From battlements that call  
From side to side it ponders  
Impassioned in the skirl

This highland lair of mystery  
Retains a lost world's empathy  
Resilient to discovery on and on and on

This legend lives  
Through centuries  
Evoking history's memories  
Prevailing in eternity  
Your secret lies safe with me

This creature's peril from decease  
Implores to mankind for release  
A legacy to rest in peace and on and on and on
