

# Rock Hard Ride Free

Judas Priest

Get a grip on the action  
Movin' heaven and earth  
Gotta get a reaction  
Push for all that you're worth

No denyin we're goin' against the grain  
So defiant they'll never put us down

Rock Hard Ride Free  
All day, all night  
Rock Hard Ride Free  
All your life

Tough as steel  
Stop at nothin'  
Look at fate in the face  
Don't take no for an answer  
Grab the lead in the race

Rock Hard Ride Free  
All day, all night  
Rock Hard Ride Free  
All your life

Rock with a purpose  
Got a mind that won't bend  
Diehard resolution  
That is true to the end

Rock Hard Ride Free  
All day, all night  
Rock Hard Ride Free  
All your life
