## **Turbo Lover**

**Judas Priest** 

You won't hear me, But you'll feel me Without warning, somethings dawning, listen. Then within your senses,
You'll know you're defenseless
How your heart beats, when you run for cover Your cant retreat I spy like no other.

Then we race together. We can ride forever Wrapped in horsepower, driving into fury Changing gear I pull you tighter to me

I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover

We hold each other closer, as we shift to overdrive And everything goes rushing by, with every nerve alive We move so fast it seems as though we've taken to the sky Love machines in harmony, we hear the engines cry.

I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover

On and on we're charging to the place so many seek
In perfect synchronicity of which so many speak
We feel so close to heaven in this roaring heavy load
And then in sheer abandonment, we shatter and explode.

I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover

I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover
