

## Brad & Suzy

Jude.

Brad and Suzy lived in a movie  
Cardboard cutout superheroes and paragons on barstools  
She was a professional teller machine user  
He was your basic beautiful loser they had no worries  
All they ever had was cool

And I wish that I was Brad and Suzy, I really do  
I mean wish that I was stuck with someone  
I wish that I was a half of a two, I wish that we were like that baby  
I wish sometimes you'd love and hate me too  
Pa, pa, pa, pow, pa, pa, pa pow

The Sigma Chis imbibed, decried and tried to pry him from his  
Little Delta Tri-Omega Chi Fi Mu Hoddi Toddi A-D-Pi and Theta  
But she wouldn't let them Idiot 'cause her heart was as big as the world  
And she was his first loving girl And he swore  
He'd stand by her forever, yeah

Late at night, drunk on wine  
They'd fall in bed and intertwine  
And they'd make love then like nobody never

And I wish that I was Brad and Suzy, I really do  
I mean wish that I was stuck on someone  
I wish that I was a half of a two, I wish that we were like that baby  
I wish sometimes you'd love and hate me too

I wish that I was Brad or Suzy  
I wish that I was in a movie

Brad and Suzy finally  
Took off for the Florida Keys the better to exercise their  
Collections of clothing by J. Crew, convertible rabbit  
A cooler and some cozies and six years of college course credit  
They'll probably never use

But I wish that I was Brad or Suzy, I really do  
I mean wish that I was stuck with someone  
I wish that I was a half of a two, I wish that we were like that baby  
I wish sometimes you'd love and hate me too

I wish that I was Brad or Suzy  
I wish that I was in a movie  
I wish that I was Brad or Suzy  
I wish that I was in a movie

I wish that I was Brad or Suzy  
I wish that I was in a movie  
I wish that I was Brad or Suzy  
I wish that I was in a movie

Well, I wish that I was Brad or Suzy, I really do  
You know wish that I was stuck with someone  
I wish that I was a half of two, I wish that we were like that little baby  
I wish sometimes you'd love and hate me too
