Well I wrote my girl a letter and I sent the thing federal expr
ess
Yeah I wrote my babe a letter and I sent the thing federal expr
ess
I sent it straight down to hell now ¡®'cause that's my baby's a
ddress.

I sat down to write it but for words I was at a loss
Yeah I sat down to write it but for words I was at a loss
Here's what I wrote I hope you think I got my point across

I told her bye bye bye bye bye bye bye good-bye
See you later
Bye bye bye bye bye bye bye good-bye
Well adios, au revoir, auf wiedersehen, sayonara, bye-bye

(bitch)

She called me on the phone and asked me could we meet to work i
t out
Yeah, she called me on the phone and asked me could we meet and
 work it out
You know I gladly met the girl just so I could have the chance
to shout

And tell her bye bye bye bye bye bye bye good-bye
See you later
Bye bye bye bye bye bye bye good-bye
Well adios, au revoir, auf wiedersehen, sayonara, bye-bye

She came in to meet me she was walking across the room
Yeah, she came in to meet me she was walking across the room
I was surprised she could make it without a hat and broom

She sat down beside me and she asked me ¡°pretty baby, what's w
rong¡±
And I fucking hate it when she called me that
So I went home and wrote this song

I told her bye bye bye bye bye bye bye good-bye
See you later
Bye bye bye bye bye bye bye good-bye
Well adios, au revoir, auf wiedersehen, sayonara, bye-bye

I told her bu-bu-bu-bu-bu-bu-bu-bu-bu-bu-bu-bu-buh-bye
Bye bye bye bye good bye
Well adios, au revoir, auf wiedersehen, sayonara
Oh, sayonara good-bye.
