

Reggae And Ska

Judge Dread

Come on everybody, join in our song
We're playing ska, come on and sing along.
Grab a Rude Girl, shuffle down
Ska is the sound that's going down.

Sing Reggae, and Ska,
Sing Reggae, and Ska
Sing Reggae, and Ska
When the rhythm drums, it'll take you far

I danced to that the beat that's really hot
Show the Rude Girl what you got
We're gonna shuffle the night away
To the rhythm and ska, Jamaica way

Sing Reggae, and Ska,
Sing Reggae, and Ska
Sing Reggae, and Ska
When the rhythm drums, it'll take you far

From the early morning, 'til late at night
You can shuffle to the rhythm, really tight
You can't get away from the shuffle beat
Come on, everybody, and move your feet

Sing Reggae, and Ska,
Sing Reggae, and Ska
Sing Reggae, and Ska
When the rhythm drums, it'll take you far

Sing Reggae, and Ska,
Sing Reggae, and Ska
Sing Reggae, and Ska
When the rhythm drums, it'll take you far
