

Up With The Cock

Judge Dread

I know a girl who works on a farm
If you listen to me I'll tell you a yarn
Always asleep by ten o'clock
At six on the dot she's up with the cock

Up with the cock (2x)
At six o'clock she's up with the cock

To milk a heard of Jersys
At seven's her first bit
She warms her hands to please the cows
When she gives a pull on the tit

Pull on the tit (2x)
Up with the cock (2x)
At six o'clock she's up with the cock

Twice a week a smelly job
Is when she cleans the yard
Scraping up the cow dung,
Yes life on the farm's so hard

It's so hard (2x)
Pull on the tit (2x)
Up with the cock (2x)
At six o'clock she's up with the cock

She was in the field one sunny day
Plowing all alone
She cought her foot in the driving train
It made her scream and moan

Scream and moan (2x)
It's so hard (2x)
Pull on the tit (2x)
Up with the cock (2x)
At six o'clock she's up with the cock

When it is time to harvest comes
Sunshine is just the trick
But when the weather's nasty
It has her coming quick

Coming quick (2x)
Scream and moan (2x)
It's so hard (2x)
Pull on the tit (2x)
Up with the cock (2x)
At six o'clock she's up with the cock
