

# Cook With Honey

Judy Collins

Muffin warm and basket brown  
Smiling faces gathered round our dinner table  
Close together, hand in hand

I always cook with honey  
To sweeten up the night  
We always cook with honey  
Tell me, how's your appetite  
For some sweet love

Find in favor with your neighbor  
Well, it can be so fine  
It's easier than pie to be kind  
We've been searching for so long  
Now our house has turned into a home

'Cause I always cook with honey  
To sweeten up the night  
We always cook with honey  
Tell me, how's your appetite  
For some sweet love

'Cause I always cook with honey  
To sweeten up the night  
We always cook with honey  
Tell me, how's your appetite  
For some sweet love

Well, our door is always open  
And there's surely room for more  
Cooking where there's good love  
Is never any chore  
So come and get to know us  
There'll be a place set just for you  
Sweet wine before dinner  
That is surely bound to soothe

I always cook with honey  
To sweeten up the night  
We always cook with honey  
Tell me, how's your appetite  
For some sweet love

I always cook with honey  
To sweeten up the night  
We always cook with honey  
Tell me, how's your appetite  
For some sweet love
