

Dark Eyes

Judy Collins

Oh, the gentlemen are talking and the midnight moon is on the r
iverside
They're drinking up and walking and it is time for me to slide
I live in another world where life and death are memorized
Where the earth is strung with lover's pearls and all I see are
dark eyes.

A cock is crowing far away and another soldier's deep in prayer
Some mother's child has gone astray, she can't find him anywher
e
But I can hear another drum beating for the dead that rise
Whom nature's beast fears as they come and all I see are dark e
yes.

They tell me to be discreet for all intended purposes
They tell me revenge is sweet and from where they stand, I'm su
re it is
But I feel nothing for their game, where beauty goes unrecogniz
ed
All I feel is heat and flame, and all I see are dark eyes.

Oh, the French girl, she's in paradise and a drunken man is at
the wheel
Hunger pays a heavy prize to the falling gods of speed and stee
l
Oh, time is short and the days are sweet and passion rules the
arrow that flies
A million faces at my feet but all I see are dark eyes.
