## **Better Luck Next Time**

**Judy Garland** 

For ev'ry rose that withers and dies Another blooms in it's stead. A new love waits to open its eyes After the old love is dead.

That sounds alright in a careless rhyme But there's seldom a second time

Better luck next time That could never be Because there ain't gonna be no next time For me, no sirree

Made up my mind To make another start I've made my mind up but I can't make up My heart

I'd like a new lucky day That would be nice But this comes just once in a lifetime Not twice

So don't say better luck next time That can never be Because there ain't gonna be no next time For me.
