

# Good Morning

Judy Garland

Good morning, good morning  
We've danced the whole night through  
Good morning, good morning to you

Good morning, good morning  
It's great to stay up late  
Good morning, good morning to you

When the band began to play  
The sun was shining bright  
Now the milkman's on his way  
It's too late to say goodnight

So, good morning, good morning  
Sunbeams will soon smile through  
Good morning, my darling, to you

Here we are together  
A couple of stand-uppers  
Our day is done, breakfast time  
Stars with our supper

Here we are together  
Ah, but the best of friends must party  
So let me sing this party song  
From the bottom of my hearty

Good morning, it's a lovely morning  
Good morning, what a wonderful day  
We danced the whole night through  
Good morning, good morning to you

I said, "Good morning, see the sun is shining"  
Good morning, hear the birdies sing  
It's great to stay up late  
Good morning, good morning to you

When the band began to play  
The stars were shining bright  
Now the milkman's on his way  
It's too late to say goodnight

Good morning, good morning  
Sunbeams will soon smile through  
Good morning, good morning  
Good morning, my darling, to you
