

## It Never Was You

Judy Garland

I've been running through rains  
And the wind that follows after  
For one certain face  
And an unforgotten laughter

I've been following signs  
I've been searching through the lands  
For a certain pair of arms  
And a certain pair of hands

Yes, I tried a kiss here  
And I tried a kiss there  
For when you're out in company  
The boys and girls will pair

But it never was you  
It never was anywhere you  
An occasional sunset reminded me  
Or a flower hanging high on a julep tree

Or one red star hung low in the west  
Or a heart-break call from a Meadow Lark's nest  
Made me think for a moment, maybe, it's true  
I found him in the star, in the call, in the blue

But it never was you  
It never was anywhere you  
Anywhere, anywhere you
