

Just In Time

Judy Garland

Just in time
I found you just in time
Before you came my time was running low
I was lost

The losing dice were tossed
My bridges all were crossed
No where to go
Now you're here

And now I know just where I'm going
No more doubt or fear
I've found my way
For love came just in time

You found me just in time
And changed my lonely life that lucky day
Just in time
I found you just in time

Before you came my time was running low
I was lost
The losing dice were tossed
My bridges all were crossed

No where to go
Now you're here
And now I know just where I'm going
No more doubt or fear

I've found my way
For love came just in time
You found me just in time
And changed my lonely life that lovely day

Hey, you came along
I mean you came along
And changed my life that lucky day
