Just In Time

Judy Garland

Just in time I found you just in time Before you came my time was running low I was lost

The losing dice were tossed My bridges all were crossed No where to go Now you're here

And now I know just where I'm going No more doubt or fear I've found my way For love came just in time

You found me just in time And changed my lonely life that lucky day Just in time I found you just in time

Before you came my time was running low I was lost The losing dice were tossed My bridges all were crossed

No where to go Now you're here And now I know just where I'm going No more doubt or fear

I've found my way For love came just in time You found me just in time And changed my lonely life that lovely day

Hey, you came along I mean you came along And changed my life that lucky day
