Love Of My Life

Judy Garland

I lived in a dream my sweet In a dream of you My dream was a joy complete 'Cause you loved me too...

And I was no longer afraid of What the future might reveal For the stuff that dreams are made of Was suddenly real

Love of my life Life of my love I used to pray And pray you'd hear me Love of my life Angels above Sent you at last To stay always near me

Now we are one Never to part And evermore Need I implore you to miss me Come to my arms Come to my heart Kiss me Kiss me

Come to me Come... to me My... life My-why love... Love of my life My life My-why love...
