

What Am I Here For?

Judy Garland

What am I here for
It's time you knew.
Here's what I'm here for,
I'm here for you.
Can you forgive me,
Am I too late?
All the years
That I've wandered
And pondered were squandered
My heart insisted
I seek you out that
You existed my heart
Had no doubt to share a
Journey that leads to heavens door.
You'll find is what I'm here for.
