Angel of the Morning

Juice Newton

There'll be no strings to bind your hands Not if my love can't bind your heart There's no need to take a stand For it was I who chose to start

I see no need to take me home I'm old enough to face the dawn

Just call me angel of the morning angel Just touch my cheek before you leave me, baby Just call me angel of the morning angel Then slowly turn away from me

Maybe the sun's light will be dim And it won't matter anyhow If morning's echoes say we've sinned Well, it was what I wanted now

And if we're victims of the night I won't be blinded by the light

Just call me angel of the morning angel Just touch my cheek before you leave me, baby Just call me angel of the morning angel Then slowly turn away, I won't beg you to stay with me Through the tears of the day, of the years, baby

Just call me angel of the morning angel Just touch my cheek before you leave me, baby Just call me angel of the morning angel Just touch my cheek before you leave me, darling

Just call me angel of the morning angel Just touch my cheek before you leave me, darling
