

Break It to Me Gently

Juice Newton

Break it to me gently
Let me down the easy way
Make me feel you still love me
If it's just, just for one more day

Break it to me gently
So my tears, my tears won't fall too fast
If you must go then go slowly
Let me love you 'til the last

The love we've shared, oh so long
It's a teary part of me
If you must take your love away
Take it gradually

And break it to me gently, give me time
Oh, give me a little time to ease the pain
If you must go then go slowly
'Cause I'll never love again

If you must take your love away
Take it gradually

And break it to me gently, give me time
Oh, give me a little time to ease the pain
Love me just a little longer
'Cause I'll never, never love again
'Cause I'll never, no, never love again, ooh
