

# Runaway Hearts

Juice Newton

Some people walk, some people run  
And some never move at all  
I wanna live like the Rolling Stones  
And die like a shooting star

Oh, you and I are two of a kind  
We never will be here  
One of these nights we'll leave this town  
And never look back again

Runaway hearts  
(Our hearts, runaway hearts)  
They'll never take us alive  
Baby, we're young  
We're gonna run  
Until the day that we die

Runaway hearts  
(Our hearts, runaway hearts)  
We're searching for our paradise  
We'll never stop  
Till we've gone too far  
Chasing our runaway hearts

Some people die before their time  
And some never live at all  
But I wanna go like Sal Mineo  
Or a rebel without a cause

Maybe I see, but just like me  
We'll never stay in one place  
Both of us born to the sound of the cars  
Out on the interstate

Runaway hearts  
(Our hearts, runaway hearts)  
They'll never take us alive  
Baby, we're young  
We're gonna run  
Until the day that we die

Runaway hearts  
(Our hearts, runaway hearts)  
Searching for our paradise  
We'll never stop  
Till we've gone too far  
Chasing our runaway hearts

Runaway hearts  
(Our hearts, runaway hearts)  
They'll never take us alive  
Oh, baby, we're young  
We're gonna run  
Until the day that we die

Runaway hearts  
(Our hearts, runaway hearts)

We're searching for our paradise  
We'll never stop  
Till we've gone too far

Runaway hearts  
(Our hearts, runaway hearts)  
Runaway hearts  
(Our hearts, runaway hearts)  
Runaway hearts  
(Our hearts, runaway hearts)  
Runaway hearts  
(Our hearts, runaway hearts)  
Runaway hearts  
(Our hearts, runaway hearts)  
Runaway hearts  
(Our hearts, runaway hearts)  
Runaway hearts  
(Our hearts, runaway hearts)
