

# Say You'll Be Mine

Juice Newton

I don't wanna be the one  
To let you get away  
I'm not gonna play around  
And wait for that mistake

I'm gonna be the first in line  
To claim your heart as mine  
And treat you right

I don't wanna go if you're not going by my side  
I don't wanna live another day out of your life  
I just wanna be near you, give my heart and hear you  
Say you'll be mine

Never thought I'd be the one  
To want to settle down  
I'd always thought a love like this  
Would tie me to the ground

But I wanna be the one you'll fly to  
The someone in the night to  
Hold you tight

I don't wanna go if you're not going by my side  
I don't wanna live another day out of your life  
I just wanna be near you, give my heart and hear you  
Say you'll be mine

Your loving is all I need  
I'll always be satisfied  
Maybe you can hold on to me  
For a long, long, longtime, whoa

I don't wanna go if you're not going by my side  
I don't wanna live another day out of your life  
I just wanna be near you, give my heart and hear you  
Say you'll be mine  
You'll be mine  
You'll be mine

Say you'll be mine  
Say you'll be mine  
Say you'll be mine
