Short hair like Nia Long
Loose one she don't need a loan
She start twerking when she hear a song
The stripper pole her income
We get trippy and then some
So nasty when she rolling
She put that ass off in my hands
I remote control it
She give me dome when the roof gone
At the K.O.D. she leave with me
She got friends bring three
I got drugs I got drinks
Bend it over, Juicy J gone poke it like wet paint
You say no to ratchet pussy Juicy J can't
Racks everywhere, they're showing racks I'm throwing racks
In the VIP rubber on I'm stretching that
Rich niggas tipping
Broke niggas looking
And it ain't a strip club if they ain't showing pussy.

[Lil Wayne:]

Uh, pop that pussy for a real nigga
Pull out my black card, that's my lil' nigga
Make a movie with your bitch, Steven Spiel-nigga
Smokin' on Keysha, Cole give me chills nigga
What's your real name, and not your stripper name
I make it rain on ya, like a windowpane
Bands a make her dance, Tunechi make her cum
Hit it from the side like a motherfuckin' bass drum
Two hoes on one fuckin' pole
Two hoes on my fuckin' pole
I don't tip, I pay bills
Bitches call me Buffalo
Her stomach in, her ass out
I'm flyer than the ones they pass out
If money grow on trees, I branched out
I'm just waitin' for my bitch to cash out!

Let me see that ass clap, standing ovation
If yo girl don't swallow kids, man that hoe basic
Got two bitches with me, take a shot of one hoe
Using her friend for a chaser
Bands a make her buss it, buss it
Let me see you touch it, touch it
Money talk you ain't got none, end of discussion
Bands a make her do it, do it
Pocket full of money, money
Young nigga getting head while the engine's runnin'
Err! Let me see you wiggle do it for a real nigga
I be laughing to the bank, all you do is giggle
Balling in my coupe, call it sports car
Drop the top and freak the chick
