Got A New One

Left my old bitch at home Got a new one Left my old bitch at home Got a new one Got got a new one Got got a new one Left my old bitch at home Got a new one (2x)

My bitch ask me do I love her I tell her yeh But the truth is I only love that head Always on her knees Never using her legs I don't trust her neither She just want juicy bread Got a new bitch Shit, I got 2 or 3 What they do for free Everything they do for me They eat eachother pussy I just like to see Fuck her booshy ass bitch All I like is free Got that liquior in me Now I'm a pornstar I pull the whip over And fuck her in my porn car I'm so fucking high I need some new lungs Left my old bitch at home Got a new one.

Left my old bitch at home Got a new one Left my old bitch at home Got a new one Got got a new one Left my old bitch at home Got a new one (2x)

I got a new bitch I met her in Cali I gave her my number She gave me her panties The momma can blow So I gave her a grammy I don't even know her name I think it was tammy I just met a cuban bitch Out in miama Shaped like a coke bottle Hot as a cannon She could be a actress She might be a model It don't matter to me Long as the hole swallow I'm hers for the night I'm leaving tomorrow It's back off in my mantion It's somebody's daughter She dancing like she fucking Huh momma who taught her Then I kick her out Cause I got enough stalkers

Left my old bitch at home Got a new one Left my old bitch at home Got got a new one Got got a new one Left my old bitch at home Got a new one (4x)
