Juicy J

Fuckin' with my cheese that come with beef, like Rotel  
Wildin' in the club, give us room, like hotels  
And I'm pimpin' hoes so you better catch this wholesale  
Haters wishin' that I fall off, oh well

I used to ride Chevy's, now it's Bentley coupes and Maybachs  
From the Dirty South, fresh and clean, like some Ajax  
Back when I was broke, all these hoes thought I was ugly  
Now my money long and all these hoes slutty  
Let's go make a movie, I do my own stunts  
My money like bubbles, now watch me blow a hundred  
A whole lot of drugs and some freaky snow bunnies  
With "I Love Juicy J" tatted on they stomach  
Let's go hit the town, smoke some Kush and get trippy  
Trynna get high enough to do a song with Biggie  
Straight from Hollywood to Hollywood, North Memphis  
And what's the point of being rich if you can't spend it ho

Fuckin' with my cheese that come with beef, like Rotel  
Wildin' in the club, give us room, like hotels  
And I'm pimpin' hoes so you better catch this wholesale

AK-47, with the shoulder brace  
First I pump your girl then hit her with that poker face  
So many cars in my garage, ain't no walking space  
Bitch I'm so high it feel like I can walk in space  
Just ordered me a car that got a bed in it  
When I get it I'mma fuck and get head in it  
Ask me do I get it, you can see it can't you  
When your girl leave me I bet her knees ashy  
I bet her throat scratchy  
I bet she call a taxi  
You know I kill the pussy, toe tag it  
And I'm always on time, but my roof absent  
2 Chainz' charm bigger than a Volkswagen

Fuckin' with my cheese that come with beef, like Rotel  
Wildin' in the club, give us room, like hotels

I see why niggas out here hatin' me  
Got that Stevie Wonder money, they'll never see  
Whippin' 360 in that Lamborghini

With a cup of Dirty Sprite, poppin' beans mane  
I don't handcuff hoes and make 'em my bride  
Just take 'em to the telly put my dick inside  
30 stacks for a gig  
My pockets fat as a pig  
30 inches on the whip, sit high like a rig  
I got more bitches, than a dog catcher  
And that Bill Gates bread is what I'm chasing after  
Brightlin watch, with the diamonds, here's the whole (?)  
And I stay spaceship high, I don't need NASA

Fuckin' with my cheese that come with beef, like Rotel  
Wildin' in the club, give us room, like hotels
