Juicy J

You niggas ain't high as me  
But I got a way you can do it

I'm smokin' I'm rollin'

Codeine in my system, mane this life outstanding  
Feel like I'm on another planet, I don't plan on landing  
My Audemar is iced out, ice cream soft served  
Prescription pills, prescription weed, drink prescription cough  
syrup

My swag belong on the short bus, I'm smokin' out in my tour bus  
I'm chasing after that long money and I don't take no short cut  
s

Where the hell is we headed, I don't know but I'm high  
I roll another zip of that fire, scream Taylor Gang or die  
A zip and a double cup, bitch I'm pourin' up  
duce ya to the fast life, but I'm slow as fuck  
Bad bitch she take a sip, after that she open up  
Livin' like a rockstar, I've never been sober bruh

Ugh, smashing out, lashing out, keeping these bitches cashing o  
ut

Licking they ass, passing out, don't give a fuck if they mad or  
not

What you gon' do when they come for you, I'mma bust back like a  
hog would do

Macking game, on the lose, sip the foam, cup the deuce  
High pursuit for a prostitute, hoes wanna choose, what's stoppi  
ng you

That nigga there cock blocking you, I'mma show you what a rock  
baller do

I might rip the road like Pendergrass; Pimp C, ain't Teddy P  
I just jump in the Benz and smash the gas, she wanna give me so  
me ass, but the dick ain't free
