Julee Cruise

Ooh

I'm going out  
Yes, I'm going out  
To the night  
I will wear you out  
It's for my soul

I'm going out  
Yes, I'm going out  
To the night  
I will wear you out  
It's good for my soul

Fire flies are out tonight  
Those fire flies are out tonight  
Watch them twinkle so bright  
And the night

Thank you, that was very nice
